TechnoCom Names Mark Anten New V.P. of Finance

Experienced Finance Veteran Joins Leading Executive Team

ENCINO, CALIF. – DATE – TechnoCom Corporation (www.technocom-wireless.com), a leading provider of solutions to enable wireless location services and assure their ongoing performance, today named Mark Anten as the company's new vice president of finance. In this position, Anten will oversee the corporate, strategic and operational finances for TechnoCom.

Anten brings more than 13 years of finance experience to TechnoCom. Prior to his appointment at TechnoCom, Anten was director of finance at Ascent Media, LLC, a division of Liberty Media and one of the largest post-production companies in the world. At Ascent, Anten was responsible for a \$100 million+ division with more than 700 employees in six regions. Before Ascent, Anten worked at two Internet start-ups that were taken public. Anten attended University of California at Berkley where he majored in Economics. He received his MBA with an emphasis in Finance and Marketing from the University of Southern California.

"Mark joins the TechnoCom executive team at a time of growth and opportunity within our marketplace" said Masoud Motamedi, president for TechnoCom. "His wealth of financial experience will be a great asset to the company"

Founded in 1995, the company has been named to Deloitte & Touche "Technology Fast 50" multiple times. TechnoCom has experts in location technology system engineering, mobile device design and mobile packet data optimization.

- more -

“I was drawn to TechnoCom based on its market longevity and financial strength,” said Anten. “I look forward to working with the executive team to take TechnoCom to its next level of growth.”

About TechnoCom Corporation

TechnoCom is a leading provider of solutions to enable wireless services and assure their ongoing performance. TechnoCom offers a portfolio of wireless infrastructure solutions and emerging wireless technologies to network operators, service providers, system integrators and government agencies. Founded in 1995, for four consecutive years TechnoCom has been among the 50 fastest-growing technology companies in Los Angeles selected by Deloitte & Touche. The company’s customers include some of the world’s largest wireless carriers and integrators including, among others, Alltel, ARINC, Cingular, Raytheon, SAIC, Sprint Nextel, SunCom Wireless, Telefonica Empresas S.A., Telus, and Verizon. TechnoCom has received investments from Timeline Ventures, Titan Investment Partners, Third Point Management and iSherpa Capital. For more information, please visit www.technocom-wireless.com.
